# Fitted Wardrobe Planner

margaret@mccarthykitchens.net

☎ 0429 340 373

Considering a new sliding robe ? Its important that your new sliding robe includes everything to suit your changing lifestyle. Take a photo of the space and a few basic measurements, including ceiling height, wall length, radiators location, curtain rails, sockets etc.

“DID YOU KNOW WE DO carpet and wood FLOORING AS WELL”

would you be interested    yes     no

## What happens next...

Once the information is received, our sales team will call you to arrange an appointment to visit our showroom and experience your personal showroom consultation.

### Your Contact Details:

We just need a little bit of information so that we can keep in touch over the course of your Sliding robe project:

Name:

Address:

Mobile:

Email:

How did you hear about us?

Do you desire Hinged Doors     or    Sliding Doors

Clothing    which do you do most:    Fold     Hang     or    Both equally     Don't know

Long hanging (For overcoats or evening dresses)     or    Short Hanging (for Jeans or T-Shirts)   
or Both     or Don't Know     or Other

Shoes    Shoe-aholic     or    Normal amount     or    Don't Know or     Other

Please tell us about anything else you would like your wardrobe to store/hold?

# Sketch your Fitted Wardrobe

Roughly sketch out your room shape

- Measure the length and width of your room
- Don't forget to measure your windows too
- Sketch where your existing sink and cooker are
- Highlight any pillars, bulkheads etc.
- Include position and measurements of radiators/boilers too
